A Conference Venue: CSS Insurance Headquarters, Tribschenstrasse 21, 6002 Luzern

Travelling to Lucerne by train is the most practical option. Please visit <https://www.sbb.ch/en/home.html> to plan your journey. From the train station, the conference venue is within ten minutes walking distance; or you can take the bus towards «Matthof» (6), «Bireggghof» (7) or «Hirtenhof» (8) and get off at «Werkhofstrasse». Note that the train ticket does not include public transportation in the city of Lucerne.

Travelling by car is also possible and there is a limited number of parking spaces in the underground parking at CSS Insurance. Navigate to «Werkhofstrasse 11, Lucerne» and use the first exit of the roundabout to enter the underground parking. You can validate your ticket at the reception desk.
