

Swiss Health Economics Workshop 2022

Call for Abstracts

Dear Swiss Health Economists

The 5th Swiss Workshop on Health Economics will take place on **June 10, 2022 in Lucerne**.

You are invited to submit an abstract if you are doing *scientific research* in the field of Health Economics and

1. affiliated with a research unit or a commercial company *located in Switzerland*,
2. of *Swiss nationality* but affiliated with a foreign scientific or commercial unit,
3. or a foreign health economist who performs research on the *Swiss health system*.

We invite all Swiss health economists to submit their abstract no later than **February 06, 2022** via the website of the Swiss Society of Health Economics (www.sggoe.ch/shew-2022).

Abstracts are limited to 1,500 characters. Notification about acceptance will be given by March 11 and the full paper is due by May 1. Authors of an accepted paper are expected to discuss a paper of a colleague.

Registration will open in March (please visit www.sggoe.ch/shew-2022). The congress fee is CHF 40 for members of the Swiss Society of Health Economists and CHF 60 for non-members. If you want to attend the workshop without submitting an abstract, you are very welcome as well.

We are planning to hold the conference in-person in accordance with the local Covid-19 regulations.

Please forward this call to any other person you think might be interested in attending.

Christian Schmid
Chair Swiss Health Economics Workshop
