

# Swiss Health Economics Workshop 2019

## Call for Abstracts

Dear Swiss Health Economists

**The 4th Swiss Workshop on Health Economics will take place on September 13, 2019 in Lucerne.**

You are invited to submit an abstract if you are doing scientific research in the field of Health Economics and

1. affiliated with a research unit or a commercial company located in Switzerland,
2. of Swiss nationality but affiliated with a foreign scientific or commercial unit,
3. or a foreign health economist who performs research on the Swiss health system.

We invite all Swiss health economists to submit their abstract no later than **May 15, 2019** via the website of the Swiss Society of Health Economics ([www.sggoe.ch/shew-2019](http://www.sggoe.ch/shew-2019)).

Abstracts are limited to 1,500 characters. Notification about acceptance will be given by June 7 and the full paper is due by August 18. Authors of an accepted paper are expected to discuss a paper of a colleague.

Registration will open in June (please visit [www.sggoe.ch/shew-2019](http://www.sggoe.ch/shew-2019)). The congress fee is CHF 30 for members of the Swiss Society of Health Economics and CHF 50 for non-members. If you want to attend the workshop without submitting an abstract, you are very welcome as well.

**Please forward this call to any other person you think might be interested in attending.**
